1. Approved Test Houses

The following Test Houses have been approved for compliance testing under the TCG Storage Certification Program:

Approved Test House	Contact Information	Approval Date	Last Audit Date	Expiration Date
ULINK Technology, Inc.	www.ulinktech.com	September 2017	September 2017	September 2020

2. Approved Test Suite Information

The following lists the version information for the currently approved test suite and all supporting documents used to generate that test suite. Each test in the approved test suite is fully documented in the relevant test suite document (i.e. the Opal SSC test suites are found in the Opal SSC Certification Test Cases Specification). The TCG Storage Certification program will change as relevant specifications mature and begin to encompass additional features. This document will be updated to reflect the most recent versions of all applicable documents.

Test Suite Name/Version	Document	Version(s)
Opal SSC Test Suite (ULINK Technology, Inc) Version 3.5	TCG Storage Architecture Core Specification	2.01 r1.00
	Storage Interface Interactions Specification (SIIS)	1.08 r1.00
	Opal SSC Specification	2.01 r1.00
	Opal SSC Certification Test Cases Specification	2.01 r1.00

3. Deprecated Test Suites

The following test suites have been deprecated and are not to be used for compliance testing.

Deprecated Test Suite Name/Version	Date of Deprecation
(None)	

4. Former Test Houses

The following lists all the Test Houses that are no longer approved.

Former Test House	Date of Deprecation
(None)
